N.B.—1. An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit account of the Secretary, Stores Purchase Committee, and the fact noted in the tender.

2. Firms are requested to give clear details about the make and specification of the units.

Conditions.

1. The Stores Purchase Committee do not bind themselves to accept the lowest or any tender but reserve to themselves the right to select from any tender such articles as they may consider expedient to accept.

2. The tender must be accompanied by full specifications and details of technical data for the equipment offered, together with the description, drawings and literature.

3. Should an order be placed as a result of the tender, it should be distinctly understood that the materials should strictly conform to our specifications. In the event of materials not conforming thereto being supplied, the contractors will be required to replace the materials by the correct ones without extra charge.

4. The materials should be supplied within the time stipulated in the tender.

5. In case of dispute as regards the satisfactory performance or otherwise of the contract, the decision of the Stores Purchase Committee shall be final.

6. If any tenderer withdraws from his tender before the period of three months fixed for the acceptance or if the tenderer whose tender is accepted fails to execute the agreement and furnish the deposit of 5 per cent of the value of the contract, the earnest money deposited by him will be forfeited to Government. The earnest money of unsuccessful tenderers will be returned.

7. The prices quoted will hold good for a period of three months from the last day fixed for receiving tenders and in default of doing so, to pay the sum equal to 3 per cent on the aggregate amount of this tender as and by way of liquidated damages.

8. Failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indent, or non-performance or non-supply in time or regularly or supplying material, which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following:—

(1) Cancellation of the indent or order in part or in whole.

(2) Imposition of penalty at the rate specified in the Indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President, Stores Purchase Committee.

(3) Forfeiture or adjustment of Earnest Money or/and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee.

(4) Recovery of extra cost, if any, incurred by the departments in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

9. The articles and the quantities mentioned in the enquiry are only provisional and the Stores Purchase Committee reserve the right to place orders either for all the articles and for the quantity mentioned in the enquiry or for such of the articles and in such quantities as may be actually required at the time of placing the order and subsequently before the close of three months from the date of expiry of the enquiry and to close the enquiry thereafter.

10. Whatever may be the conditions of sale specified or indicated in the tender quotations, it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that if any successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the schedule of orders reach him and get the same accepted or clarified.

11. The successful tenderer shall be prepared to deposit security amount not exceeding 5 per cent of the value of the order and to execute an Agreement on a Mysore Government Stamp Paper of Re. 1-8-0 for the proper performance of the contract.

12. Quotations with firm prices will be preferred.

13. Sales-tax, if any, should be quoted separately.

14. No enhancement of prices will be allowed after the acceptance of the order.

15. Quotations will be opened at 2 P.M. on the next working day or the following days after the closing date of the enquiry. The date of opening will be notified on the Notice Board on the previous day.

N.B.—An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee, and the fact noted in the tender.

CONDITIONS.

1. The Stores Purchase Committee do not bind themselves to accept the lowest or any tender but reserve to themselves the right to select from any tender such articles as they may consider expedient to accept.

2. The tender must be accompanied by full specifications and details of technical data for the equipment offered, together with description, drawings and literature.

3. Should an order be placed as a result of the tender it should be distinctly understood that the materials should strictly conform to our specifications. In the event of materials not conforming thereto being supplied, the contractors will be required to replace the materials by the correct ones without extra charge.

4. The materials should be supplied within the time stipulated in the tender.

5. In case of dispute as regards the satisfactory performance or otherwise of the contract, the decision of the Stores Purchase Committee shall be final.

6. If any tenderer withdraws from his tender before the period of three months fixed for the acceptance or if the tenderer whose tender is accepted fails to execute the agreement and furnish the deposit of 5 per cent of the value of the contract, the earnest money deposited by him will be forfeited to Government. The earnest money of unsuccessful tenderers will be returned.

7. The prices quoted will hold good for a period of three months from the last day fixed for receiving tenders and in default of doing so, to pay the sum equal to 3 per cent on the aggregate amount of this tender as and by way of liquidated damages.

8. Failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indent, or non-performance or non-supply in time or regularly, or supplying material, which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following:—

(1) Cancellation of the indent or order in part or in whole.

(2) Imposition of penalty at the rate specified in the Indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President, Stores Purchase Committee.

(3) Forfeiture or adjustment of earnest money or/and security deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee.

(4) Recovery of extra cost, if any, incurred by the Departments in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

9. The articles and the quantities mentioned in the enquiry are only provisional and the Stores Purchase Committee reserve the right to place orders either for all the articles and for the quantity mentioned in the enquiry or for such of the articles and in such quantities as may be actually required at the time of placing the order and subsequently before the close of three months from the date of expiry of the enquiry and to close the enquiry thereafter. It is open to the S.P.C. to institute fresh enquiry even earlier, if it considers fit and desirable for satisfactory reasons.

10. Whatever may be the conditions of sale specified or indicated in the tender quotations, it is only the conditions indicated in the schedule or order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that if any successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the Schedule of Orders reach him and get the same accepted or clarified.

11. The successful tenderer shall be prepared and to deposit a security amount not exceeding 5 per cent of the value of the order and to execute an agreement on a Mysore Government Stamp Paper of Re. 1-8-0 for the proper performance of the contract.

12. Quotations with firm prices will be preferred.

13. Sales-tax, if any, should be quoted separately.

14. No enhancement of prices will be allowed after the acceptance of the tender.

N.B.—Quotations will be opened at 2 P.M. on the next working day after the closing date of the enquiry.

Sub. :—Supply of Gunny Twine to the Government Departments during the year 1956-57.

Gentlemen,

No. S.P.C. 37741. I write to request you to be so good as to enter order for the supply of Gunny Twine described in the undermentioned schedule at the price specified therein. Please arrange to supply on indents, received from such of the departmental officers as may require the material and in such quantities as may be required from time to time by them. All indents shall be complied with within a fortnight from the date of receipt.

The contract will be deemed to be limited to the quantity actually drawn by the departments.

This contract will be in force for a period of one year from the date of this order. The supply will have to be arranged throughout the said period.

Failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indents, or non-performance or non-supply in time or regularly, or supplying material, which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following :—

(1) Cancellation of the indent or order in part or in whole.

(2) Imposition of penalty at the rate specified in the indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President of the Stores Purchase Committee.

(3) Forfeiture or adjustment of earnest money or/and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee.

(4) Recovery of extra cost, if any, incurred by the departments in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

Whatever may be the conditions of sale specified or indicated in the tender quotations, it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that if any successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the schedule of orders reach him and get the same accepted or clarified.

The bills of cost should be sent in duplicate to the indenting officers who will arrange payment.

You should now arrange to enter into an agreement with the Secretary, Stores Purchase Committee on a Mysore Government Court Fee Stamp Paper of the value of Rs. 1-8-0 and to deposit an amount of Rs. 100 as security for the due fulfilment of the contract, within a week from the date of receipt of this order, failing which the order will be cancelled.

The above Local Indent number should be quoted in all future correspondence.

Please acknowledge receipt of the order and confirm.

1. Tenders in the prescribed form in duplicate are obtainable from the Office of the Executive Engineer, No. 3 Sanitary Division, Davangere, on payment of annas eight per form. Form should be addressed to the Executive Engineer, No. 3 Sanitary Division, Davangere, in a sealed cover and superscribed as "Tender for....." and should also be superscribed on the top of the cover with the name of the contractor.

2. Each tender must be accompanied by a deposit of Rs.....deposited in Government Treasury under "Revenue Deposits" and duplicate challan should be enclosed with the tender. Mysore Government Bonds duly endorsed at full value or market value whichever is less will also be accepted as earnest money.

3. Tenders should be submitted in duplicate for each work separately and if there are any difference in rates quoted in between the original and duplicate, the lower of the two will be taken for consideration.

4. Rates should be quoted against each item of work both in figures and words and should hold good till the acceptance of the tenders by the competent authority. The rates quoted will not be enhanced under any circumstances.

5. Tenders not accompanied by the Treasury Challan for having credited the earnest money will be rejected.

6. No conditional clauses will be accepted.

7. Sales-tax and income-tax clearance certificates duly authenticated should be attached to the tenders, failing which such tenders will be rejected.

8. The rates quoted with conditions such as "subject to fluctuations, etc." will not be accepted.

9. The submission of tender by the Contractor implies that he has read the notice and the conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

10. The tenders will be opened in the presence of such tenderers who wish to be present at the time of so doing.

11. The name of the successful tenderer whose tender has been accepted will be notified on the office notice board of the Executive Engineer, No. 3 Sanitary Division, Davangere. No enquiries regarding the acceptance of the tender or otherwise will receive attention.

12. Tenderers with experience of constructing elevated R.C.C. tank of INTZ-type are preferred.

13. The final acceptance of the tender will rest with the competent authority who reserves the right of acceptance or reject the lowest or any other tender.

14. The work should be executed as per the specification in force in the Department.

15. The raft foundation is designed for a safe bearing capacity of ¾ ton per s.ft. However, during execution the actual S.B.C. of the soil and its nature will be tested. Hence this may entail modifications in the design of raft and depth of foundations. Contractors are required to quote for executing the work according to any such modified design and are also to accept any modified quantity of R.C.C. for the raft and earthwork excavation for foundation.

16. All overwriting and corrections while submitting the tenders should be attested by the tenderer.

17. The contractor should arrange to keep the premises tidy immediately the work is completed in each section. No extra charges will be paid for this work.

18. The successful tenderer should bind himself to abide by the Departmental rules in force and should execute the necessary *mutchalika* within a fortnight from the date of receipt of the intimation of acceptance of his tender, failing which, his earnest money will be forfeited and his contract will be treated as cancelled. The earnest money of the contractor whose tender is accepted will be retained as security deposit and those of others will be returned after the acceptance of the tenders or only after the lapse of two months from the date of receipt of tenders as notified.

19. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, No. 3 Sanitary Division, Davangere, on all working days between 11 A.M. and 5 P.M. and between 8 A.M. and 12 NOON on Saturdays.

20. Such of the tenders that stipulate uncalled for conditions of rates for changed specifications other than those for which rates are asked to be quoted are liable to be rejected outright without assigning any reasons whatsoever and the Department will be bound only to the conditions in the schedule of contract agreements to be entered into with the accepted tenderer.

21. For non-estimated and non-tendered items of work executed if need be, it will be paid as per the current minimum schedule of rates or as per data worked out during execution and approved by the competent authority.

22. The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding for the execution of the entire work.

23. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power of attorney authorising him to do so.

24. The work should be completed and handed over in a tidy condition to the P.W.D. by the end of..... after acceptance of tender failing which, the Executive Engineer shall levy a penalty up to 2½ per cent on balance of works per month of delay, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over. The monthly progress shall not be less than Rs.....per month.

25. The contract should not be sublet.

26. All materials, tools and plant and machinery, that will be supplied by the Executive Engineer, in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools, plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the stores to the date of return thereto, such dates being the dates of acknowledgments of the vouchers in each transaction.

27. The contractor should arrange for the payment of royalty and tolls and other duties payable by him.

28. Materials such as cement, steel, lead, yarn, if available in the Division or Sub-Division Stores costing more than Rs. 50 will be issued to the approved tender contractor from the stores on payment of cash only at current issue rates at the time of issue of materials to contractor.

29. No claims for damages for delay caused by officers of the Department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind while tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case. No extra claim or enhancement of rate will be allowed due to unavoidable delay for the supply of materials like cement, steel and lead, etc., by the department.

30. Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

31. The tenderers should arrange to afford all facilities free of cost, for testing the lead joints, section by section by the departmental officers, during the period of 3 months after the line is charged If any defects are noticed, they will have to be rectified by the contractor at his own cost, after which the final claims will be settled.

32. The contractor should at his own cost provide all necessary scaffolding, centering, labour and appliances of hoisting such as pulley block, tripods, wrenches, gunny ropes, caulking and packing tools, etc., required for the work.

33. Proper arrangements for barricading, lighting, arranging for watchmen along the pipe line and specially in the main road and at the crossing for protection, convenience and safety of traffic, should be provided by the tenderer at his own cost, failing which the contractor will be responsible for any accident and any negligence at his part and cost of such arrangements made by the department in this behalf will be recovered from the bill of the contractor.

34. At the time of acceptance of the tender, the accepted tenderer will be intimated when the lead and yarn would be supplied departmentally or not. If it is the contractor's supply, the quantity of lead and yarn must be got approved by the department. The lead should be B. M. refined.

35. Afford facilities to any other parties employed on the work by the P.W.D. so that their work may also proceed during the progress of the work, and give such persons the use of ordinary scaffolding and ladders.

36. In case the contractor ceases to abide by the terms of contract at any time before completing the work he shall be bound to make good any loss to Government, which may arise from the cessation in addition to his surrendering his security deposit which will be forfeited to Government.

37. The rates to be tendered by the contractor should include sales-tax or any tax that may have to be paid to Government or any other local bodies.

38. The contractor is responsible for all accidents to workmen, etc., on the work and he must take all precautions against all such risks of accidents and if necessary, provide for the same by insurance at the proper time and pay compensation of the injured labourers. If such compensation is not paid by the contractor it will be recovered from this bill or outstandings and paid to the party as per rules.
